### **anti-intellectualism is a virus - tandfonline**

american anti-intellectualism was a result of a certain utilitari-anism and the cult of the practical or self-made man. there has always been in our national experience a type of mind which elevates hatred to a kind of creed; for this

### **ch 1- dumbing of america - richard a. swanson**

distinguishing traits of anti-intellectualism in any era. the classic work on this subject by columbia university historian richard hofstadter, "anti-intellectualism in american life," was published in early 1963, between the anti-communist crusades of the mccarthy era and the social convulsions of the late 1960s. hofstadter

### **hidden intellectualism - project muse**

sports over schoolwork was not anti-intellectualism so much as intellectualism by other means. not that i was completely wrong,i think,in presenting myself as a typ-ical teenage anti-intellectual of the 1950s. it was an era, as richard hofstadter (1963) would document in his anti-intellectualism in american life, when

### **book review: anti-intellectualism in american life**

average american that "this type of man had a useful part to play." (p. 196) in the third part of anti-intellectualism, hofstadter shifts his focus to the american businessman — the capitalist — and his "extensive devotion to practicality and direct experience," which

### **anti-intellectualism in the 2016 presidential election**

in short, we need to think seriously about anti-intellectualism in an empirically rigorous way.

part of the problem, it seems, is that hofstadter's notion of anti-intellectualism was rather amorphous. he offers pages and pages of anecdotes of the ways in which anti-intellectualism has presented itself throughout american history, but very

### **anti-intellectualism our time - meguerian**

3] chapter i anti-intellectualism in our time a, although this book deals mainly with certain aspects of the more american past, it was conceived in response to the political and intellectual conditions of the 1950's. during that decade the term anti-intellectualism, only rarely heard before, became a familiar part of our national vocabulary of self-recrimination and intramural abuse. in the past, american

### **american flat earth theory: anti-intellectualism**

americans have a long tradition of anti-intellectualism and conspiracies real or imagined are a core part of how we view the world. a brief list of contemporary fact questioner's active in america include: new earth creationists, moon landing deniers, kennedy assassination

### **anti-intellectualism and the knowledge-action principle**

anti-intellectualism and the knowledge-action principle ram neta anti-intellectualism: whether s knows that p at a particular time t constitutively depends upon the practical costs of s's being wrong about p at t. the higher those costs, the more stringent are the conditions required for s to know that p.

### **reimagining popular notions of american intellectualism**

reimagining popular notions of american intellectualism, to be clear, is not a comprehensive treatment of intellectualism in american culture, past and present. rather, its goal is to provide some historical context for the narrow vision of intellectualism exuded by students and the larger american
